"Bolt's Adventures"
by Drew

Our Lady of the Snows

Bolt is a little dog. He is a little crazy and loves adventures. His favorite is visiting the National Parks.

In Yellowstone ... Bolt did his jokes with three bison. The jokes were so so funny. Bolt said that he had ten more jokes to do.

At the Grand Canyon ... Bolt saw a river. In the river there was a river raft. Bolt climbed down and jumped into the river raft.

After the Grand Canyon they go to Crater Lake ... and Bolt jumps in the water. In the water Bolt goes swimming. Then Bolt does a hike he loved it.

Bolt went home. Bolt's weekend was super fun. Bolt can't wait for the next time!
